STUDENT ENROLLMENT POLICY

To improve the process of student enrollment for NACTEP funded courses, and manage the resources of the program more equitably, NACTEP has adopted the following policy:

To receive NACTEP financial support a student is required to

1. Submit a NACTEP application;
2. Provide Tribal Membership ID or Certificate of Indian Birth, CIB Card;
2. Enroll as an occupational endorsement, certificate, and/or associates level degree-seeking student at an accredited institution in a rural career pathway and submit your letter of acceptance to NACTEP staff;
3. Sign the FERPA Release Form allowing the NACTEP staff to access student information;
4. Provide a copy of transcripts immediately following course completion, failure to do so will jeopardize future funding;
5. **Maintain a 2.00 GPA.** If a student's GPA falls below 2.00, the student will be placed on probation for one semester. If the student's GPA does not increase to 2.00 or greater during the probation semester no additional funding will be awarded. If a student does not complete a course, the same probationary terms apply.

I have read and understand the above five (5) articles and agree to comply with the same.
